

One Fine Day Lyrics

Oh, oh oh. Oh oh oh oh oh.
Oh, oh oh, Oh oh oh oh oh.

Saw the wandering eye inside my heart
shouts and battlecries from every part
I could see those tears, every one is true
when the door appears, I go right through

Oh, oh oh oh, oh oh oh

In small dark room where I will wait
face to face I find, I contemplate
even though a man is made of clay
everything can change, that one fine

One fine day, One fine day

Then before my eyes and is standing still
I beheld it there, a city on a hill
I complete my tasks, one by one
I remove my masks, when I am done.

Then a peace of mind fell over me
in these troubled times I still can see
we can use the stars to guide the way
it is not that far, that one fine

One fine day
One fine day
One fine day

Oh, oh oh, oh oh oh oh oh

I am, home
