

LOVE RESCUE ME

Love rescue me
Come forth and speak to me
Raise me up and don't let me fall
No one is my enemy
My own hands imprison me
I said love rescue me

Many strangers have I met
On the road to my regret
Many lost who seek to find themselves in me
They ask me to reveal
Though their thoughts they would conceal
I said love rescue me

And the sun in the sky
Makes a shadow of you and I
Stretching out as the sun sinks to the sea
I'm here without a name
In the palace of my shame
I said love rescue me

Yay, though I walk through the valley of the shadow
Yay, I will fear no evil
I am here without a name
In the palace of my shame
I said love rescue me

Sha la la la la (x6, hold last laaaaaa)

Sha la la la la (X4)
I said love rescue me

I said love rescue me
