

## I'VE GOT THE MUSIC IN ME

Ain't got no troubles in my life  
No foolish dreams to make me cry  
I'm never frightened or worried  
I know I'll always get by  
I heat up, I cool down  
When something gets in my way I go 'round it  
Won't let life get me down  
Gonna take it the way that I found it

I've got the music in me, I've got the music in me, I've got the music in me.  
I've got the music in me, I've got the music in me, I've got the music in me.

They say that life is a circle  
But that ain't the way that I found it  
Gonna move in a straight line  
Keeping my feet firmly on the ground  
I heat up, I cool down  
I've got words in my head so I'll say them  
Won't let life get me down  
Catch a hold of my blues and just play them

I've got the music in me, I've got the music in me, I've got the music in me.  
I've got the music in me, I've got the music in me, I've got the music in me.

Feel funky, feel good  
Gonna tell you I'm in the neighborhood  
Gonna fly like a bird on the wing  
Hold onto your hat honey - sing, sing, sing, sing  
I heat up, I cool down  
I've got words in my head so I'll say them  
Won't let life get me down  
Catch a hold of my blues and just play them

I've got the music in me, I've got the music in me, I've got the music in me.  
I've got the music in me, I've got the music in me, I've got the music in me.  
I got music, I got music, I've got the music in me.  
I've got the music in me, I've got the music in me  
I've got music, sweet music, I've got the music in me.

## DOWNTOWN

There's a place called downtown  
Where the people all go  
And they dance the Charleston  
And they do the limbo

Yeah the people all go there  
'Cause they wanna be seen  
It's like a room full of pictures  
It's like a psychedelic dream

Downtown  
Let's go downtown  
Downtown tonight  
Downtown  
Let's have a party  
Downtown tonight

Yeah it's right around the corner  
Up and down the hill  
When you hear the band playin'  
It's gonna give you a chill

Give your money to the gateman  
Young blood in his eye  
Hold on to your baby  
When you slip into the sky

Downtown  
Let's go downtown  
Downtown tonight  
Downtown  
Hear the band playin'  
Downtown all right

Downtown  
Let's go downtown  
Downtown tonight  
Downtown  
Hear the band playin'  
Downtown all right  
Downtown  
Let's go downtown  
Downtown tonight  
Downtown  
Let's have a party  
Downtown all right

## ROCK ME GENTLY

Ain't it good, ain't it right  
That you are with me here tonight  
Music playin', our bodies swayin' in time

Touching you so warm and tender  
Lord, I feel such a sweet surrender  
Beautiful is the dream that makes you mine

Rock me gently, rock me slowly  
Take it easy, don't you know  
That I have never been loved like this before

Baby, baby  
Rock me gently, rock me slowly  
Take it easy, don't you know  
That I have never been loved like this before

Oh, my darlin', oh my baby  
You've got the moves that drive me crazy  
And on your face I see a trace of love

Come hold me close, don't let me go  
I need you honey, I love you so  
You were made for me by the stars above

Rock me gently, rock me slowly  
Take it easy, don't you know  
That I have never been loved like this before

Baby, baby  
Rock me gently, rock me slowly  
Take it easy, don't you know  
That I have never been loved like this before

Rock me gently, rock me slowly  
Take it easy, don't you know  
That I have never been loved like this before

Ain't it good, ain't it right  
That you are with me here tonight

Rock me gently, rock me slowly  
Take it easy, don't you know  
That I have never been loved like this before

## HIGHER GROUND

People, keep on learnin'  
Soldiers, keep on warrin'  
World, keep on turnin'  
Cause it won't be too long

Powers, keep on lyin'  
While the people keep on dyin'  
World keeps on turnin'  
Cause it won't be too long

I'm so glad that he let me try it again  
The last time around, I lived a whole world of sin  
I am so glad that I know more than I knew then  
Gonna keep on tryin'  
Till I reach the higher ground

Teachers, keep on teachin'  
Preachers, keep on preachin'  
World, keep on turnin'  
Cause it won't be too long

I'm so glad that he let me try it again  
The last time around, I lived a whole world of sin  
I am so glad that I know more than I knew then  
Gonna keep on tryin'  
Till I reach the higher ground

## THE UNCLOUDY DAY

Oh they tell me of a home  
Far beyond the skies  
Oh they tell me of a home far away  
Oh they tell me of a home  
Where no storm clouds rise  
Oh they tell me of an unclouded day

Oh they tell me of a home  
Where my friends have gone  
Oh they tell me of that land far away  
Where the tree of life  
In eternal bloom  
Sheds its fragrance through the unclouded day (that day)

Oh the land of cloudless day  
Oh the land of an unclouded day  
Oh they tell me of a home  
Where no storm clouds rise  
Oh they tell me of an unclouded day (that day)

Oh they tell me that he smiles  
On his children there  
And his smile drives their sorrow all away  
And they tell me that no tears ever come again  
In that lovely land of unclouded day (that day)

Oh the land of cloudless day  
Oh the land of an unclouded day  
Oh they tell me of a home  
Where no storm clouds rise...  
Rise...  
Oh they tell me of an unclouded day (that day)

Oh the land of cloudless day  
Oh the land of an unclouded day  
Oh they tell me of a home  
Where no storm clouds rise  
Oh they tell me of an unclouded day (that day)

Oh the land of cloudless day  
Oh the land of an unclouded day  
Oh they tell me of a home  
Where no storm clouds rise...  
Rise...  
Oh they tell me of an unclouded day (that day)

## BOTH SIDES NOW

Rows and flows of angel hair  
And ice cream castles in the air  
And feather canyons everywhere  
I've looked at clouds that way  
But now they only block the sun  
They rain and snow on everyone  
So many things I would have done  
But clouds got in my way

I've looked at clouds from both sides now  
From up and down and still somehow  
It's cloud illusions I recall, I really don't know clouds at all

Moons and Junes and Ferris wheels  
The dizzy dancing way you feel  
As every fairy tale comes real  
I've looked at love that way  
But now it's just another show  
You leave 'em laughing when you go  
And if you care, don't let them know  
Don't give yourself away

I've looked at love from both sides now  
From give and take and still somehow  
It's love's illusions I recall, I really don't know love at all

Tears and fears and feeling proud  
To say, "I love you" right out loud  
Dreams and schemes and circus crowds  
I've looked at life that way  
But now old friends they're acting strange  
They shake their heads, they say I've changed  
Well something's lost, but something's gained  
In living every day

I've looked at life from both sides now  
From win and lose and still somehow  
It's life's illusions I recall, I really don't know life  
I've looked at life from both sides now  
From up and down and still somehow  
It's life's illusions I recall  
I really don't know life  
I really don't know life  
I really don't know life  
At all

## HOLD OUT

So many nights  
I've cried  
For better days  
I've prayed for  
But through it all  
I know  
The sun is gonna shine  
If I hold out

Sometimes I feel  
Alone  
No one around  
To call on  
I must endure  
For I know  
The sun is gonna shine  
If I hold out  
The sun is gonna shine  
If I hold out

Weeping may endure for a night  
Trouble don't last always  
Joy comes in the morning  
Just wait 'til the morning

I won't let go  
Of my faith  
The sun is gonna shine  
If I hold out

Weeping may endure for a night  
Trouble don't last always  
Joy comes in the morning  
Just wait 'til the morning

I won't let go  
Of my faith

The sun is gonna shine (12x's)  
The sun is gonna shine, the sun is gonna shine (4x's)  
The sun is gonna shine, if I hold out  
The sun is gonna shine , if I hold out

## I'LL STAND BY YOU

Oh, why you look so sad, Tears are in your eyes  
Come on and come to me now  
Don't, be ashamed to cry, Let me see you through  
Cause I've seen the dark side too

When the night falls on you, You don't know what to do  
Nothing you confess, Could make me love you less

I'll stand by you, I'll stand by you  
Won't let nobody hurt you, I'll stand by you

So, if you're mad get mad, Don't hold it all inside  
Come on and talk to me now  
Hey, why you got to hide, I get angry too  
Well I'm a lot like you

When you're standing at the crossroads  
And don't know which path to choose  
Let me come along, Cause even if you're wrong

I'll stand by you, I'll stand by you  
Won't let nobody hurt you, I'll stand by you  
Take me in into your darkest hour, and I'll never desert you  
I'll stand by you

And when, when the night falls on you baby  
You're feeling all alone  
You won't be on your own

I'll stand by you, I'll stand by you  
Won't let nobody hurt you, I'll stand by you  
Take me in into your darkest hour, and I'll never desert you  
I'll stand by you  
I'll stand by you  
Won't let nobody Hurt you  
I'll stand by you

And I'll never desert you  
I'll stand by you  
I'll stand by you  
Won't let nobody hurt you  
I'll stand by you

ONE

Whoa  
Whoa

Love is a temple  
Love is a higher law  
Love is a temple  
Love is a higher law

Ooh

I can't keep holdin' on  
All you got is hope

One love, one life  
One life you got to do what you should

One life with each other  
Sisters, and my brothers

One life, but we're not the same  
Carry each other

One  
One  
One  
One

## UNWRITTEN

Staring at the blank page before you  
Open up the dirty window  
Let the sun illuminate the words that you cannot find  
Reaching for something in the distance  
So close you can almost taste it  
Release your inhibitions  
Feel the rain on your skin

No one else can feel it for you  
Only you can let it in  
No one else, no one else  
Can speak the words on your lips

Drench yourself in words unspoken  
Live your life with arms wide open  
Today is where your book begins

## DREAM ON

Sing with me, sing for the year  
Sing for the laughter, sing for the tear  
Sing with me, but just for today  
Maybe tomorrow the good lord will take you away  
Take you away

Yeah, sing with me, sing for the year  
Sing for the laughter, sing for the tear  
Sing with me, but just for today  
Maybe tomorrow the good lord will take you away

Dream on, dream on, dream on  
Dream until your dreams comes true  
Dream on, dream on, dream on  
Dream until your dreams come true

Dream on, dream on, dream on, dream on  
Dream on, dream on, dream on  
Whoa

Sing with me, sing for the year  
Sing for the laughter, sing for the tear  
Sing with me, but just for today  
Maybe tomorrow the good lord will take you away

Sing with me, sing for the year  
Sing for the laughter, sing for the tear  
Sing with me, but just for today  
Maybe tomorrow the good lord will take you away
