

MOVIN' ON UP - *Primal Scream*

I was blind, now I can see
You made a believer out of me
I was blind, now I can see
You made a believer out of me

I'm movin' on up now
Gettin' out of the darkness
My light shines on, my light shines on
My light shines on

I was lost, now I'm found
I believe in you, I've got no bounds
I was lost, now I'm found
I believe in you, I got no bounds

I'm movin' on up now
Gettin' out of the darkness
My light shines on, my light shines on
My light shines on
my light shines on
(My light shines on) my light shines on

I'm movin' out of darkness, my light shines on (my light shines on)
I'm movin' out of darkness, my light shines on (my light shines on)
I'm movin' out of darkness, my light shines on (my light shines on)
I'm movin' out of darkness, my light shines on (my light shines on)
I'm movin' out of darkness, my light shines on (my light shines on)
(Repeat until the end)

WE ARE FAMILY
- *Sisters Sledge*

[CHORUS]

We are family
I got all my sisters with me
We are family
Get up everybody and sing
We are family
I got all my sisters with me
We are family
Get up everybody and sing

[SOLO]

Everyone can see we're together
As we walk on by (and)
And we fly just like birds of a
feather
I won't tell no lie (all)
All of the people around us, they
say,
Can they be that close
Just let me state for the record
We're giving love in a family dose

[CHORUS]

We are family
I got all my sisters with me
We are family
Get up everybody and sing

[SOLO]

Living life is fun and we've just
begun
To gain our share of this world's
delights
Our high hopes we had for the
future
And our goal's in sight
No (we), we don't get depressed
'Cause here's what we call our
golden rule
Have faith in you and the things
you do
You won't go wrong, oh no
This is our family jewel

[CHORUS]

We are family
I got all my sisters with me
We are family
Get up everybody and sing

We are family
I got all my sisters with me
We are family
Get up everybody and sing

BRING ME SUNSHINE - *Willie Nelson*

Bring me sunshine in your smile
Bring me laughter all the while

In this world where we live
There should be more happiness
So much joy you should give
To each brand new bright tomorrow

Make me happy through the years
Never bring me any tears

Let your arms be as warm
As the sun from up above
Bring me fun
Bring me sunshine
Bring me love

REPEAT

Bring me sunshine in your smile
Bring me laughter all the while

Let your arms be as warm
As the sun from up above
Bring me fun
Bring me sunshine
Bring me love

WE'RE GOING TO BE FRIENDS

- *The White Stripes*

Verse 1

Fall is here, hear the yell
Back to school, ring the bell
Brand new shoes, walking blues
Climb the fence, books and pens
I can tell that we are gonna be friends
I can tell that we are gonna be friends

Verse 2

Walk with me, Suzy Lee
Through the park and by the tree
We will rest upon the ground
And look at all the bugs we found
Safely walk to school without a sound
Safely walk to school without a sound

Verse 3

Here we are, no one else
We walked to school all by ourselves
There's dirt on our uniforms
From chasing all the ants and worms
We clean up and now its time to learn
We clean up and now its time to learn

Verse 4

Numbers, letters, learn to spell
Nouns, and books, and show and tell
Playtime we will throw the ball
Back to class, through the hall
Teacher marks our height against the wall
Teacher marks our height against the wall

Bridge

We don't notice any time pass
We don't notice anything
We sit side by side in every class
Teacher thinks that I sound funny
But she likes the way you sing

Verse 5

Tonight I'll dream while in my bed
When silly thoughts go through my head
About the bugs and alphabet
And when I wake tomorrow I'll bet
That you and I will walk together again
I can tell that we are gonna be friends
I can tell that we are gonna be friends

SHED A LITTLE LIGHT - *Foy Vance*

They say that love is hard to find
I sure found it hard to find mine
Love walked right up to my face
You can only love
What you'd died for, baby

Shed a little light so I can find you
Don't let darkness hide you from my face
Shed a little light so I can find you
I'd surely die for your embrace

They say the second love reveals
Trouble is hot on its heels
Love walked right up
Stood by my side
If it's love or death
No need to decide

Shed a little light so I can find you
Don't let darkness hide you from my face
Shed a little light so I can find you
Well, I'd surely die for your embrace

Shed a little light so I can find you
Don't let darkness hide you from my face
Shed a little light so I can find you
Just let that light shine upon your face
Just let that light shine upon your face
Just let that light shine upon your face

BROKEN - Coldplay

When I'm broken
I'm in need
Feel that ocean
Swallowing me
Head is hanging
So sorrowfully
Oooh----- shine your light on me

On that morning
Scared and blue
When I'm hungry
Thirsty too
Send this raindrop
Down to the sea
Oooh----- shine your light on me

Oh, shine your light
Shine a light
I'm alright
Oooh-----
Oooh-----
Shine your light on me
Shine your light on me

Oooh-oooh, oooh-oooh, oooh-oooh, oooh-oooh-oooh-oooh
Oooh-oooh, oooh-oooh, oooh-oooh, oooh-oooh-oooh-oooh
Oooh-oooh, oooh-oooh, oooh-oooh, oooh-oooh-oooh-oooh
Oooh-oooh, oooh-oooh, oooh-oooh, oooh-oooh-oooh-oooh-----

HOW DID YOU LOVE - *Shinedown*

You can have the sound of a thousand voices calling your name
You can have the light of the world blind you bathe you in grace
But I don't see so easily what you hold in your hands
Cause castles crumble kingdoms fall and turn into sand

You can be an angel of mercy or give into hate
You can try to fight it just like every other careless mistake
How do you justify, I'm mystified by the ways of your heart
With a million lies the truth will rise to tear you apart

Whoa

No one gets out alive, everyday is do or die
The one thing you leave behind is
How did you love, how did you love

It's not what you believe, those prayers will make you bleed
But while you're on your knees
How did you love, how did you love
How did you love

Nothin' ever feels quite the same when you are what you dream
And you will never look at anything the same when you see what I see
How we forget ourselves, lose our way from the cradle to the grave
You can't replicate, or duplicate, gotta find your own way

Whoa

No one gets out alive, every day is do or die
The one thing you leave behind is
How did you love, how did you love
It's not what you believe, those prayers will make you bleed
But while you're on your knees
How did you love, how did you love, how did you love

This ain't no cross to bury, we are the judge and jury
We are the judge and jury

Repeat Chorus with tag

JOIN TOGETHER - *The Who*

When you hear the sound a comin
Hear the drummers drummin
I want you to join together with the band

We don't move in a particular direction
And we don't take no collection
I want you to join together with the band

Join together, join together
Join together with the band
We need you to
Join together
Join together
Join together with the band

It's the singer not the song
That makes the music move along
I want you to join together with the band
This is the biggest band you'll find
It's as deep as it is wide
Come on and join together with the band

Join together
Join together
Join together with the band

Join together
Join together
Join together
