

## RIVER SO WIDE

If we can cross at the place that divides us, cross the river, the river so wide  
If we can smother the pain that's inside us, deny the demons, that wait by our side  
We can find, find the light

Our nights are filled with the light of the same moon,  
We share the comfort of the same stars  
Our days are bright with the light of the same sun, that don't matter,  
Can't you see what we are, what we are, what we become

(Soprano/Alto) Ooh  
(Tenor) Keep our sights on the way ahead, don't look back that won't help us now  
The storm we left so far behind  
Seems a dark memory, that starts to fade, but 'til we see the light  
(SAT) We will not be safe

We sink or swim in the same ocean, break our skin and we will bleed  
Our minutes pass with the same motion, face the same danger  
We share the same need, we're all the same, you and me

(Soprano) Ooh  
(Alto/Tenor) Keep our sights on the way ahead, don't look back that won't help us  
now  
Cause upstream the river it gets too wide  
(SAT) And if we don't build that bridge right here, right now  
(Soprano/Alto) Ooh  
(Tenor) You know we'll never ever reach  
(SAT) The other side

Ah, ah, ah

Under the clear blue sky, the winds of change are blowing hard and long  
And they'll not stop to rest 'cause the change is gonna come

Our nights are filled with the light of the same moon,  
we share the comfort of the same stars  
Our days are bright with the light of the same sun, that don't matter,  
can't you see what we are  
What we are, what we become  
What we are. What we become  
What we are, what we become

Ah

If we can cross at the place that divides us, cross the river, the river so wide  
If we can smother the pain that's inside us, deny the demons, that wait by our side  
We can find, find the light  
We can find, find the light  
We will find, find the light

## DOWNTOWN

There's a place called downtown  
Where the people all go  
And they dance the Charleston  
And they do the limbo  
Yeah the people all go there  
'cause they wanna be seen  
It's like a room full of pictures  
It's like a psychedelic dream

Downtown, let's go downtown  
Downtown tonight  
Downtown, let's have a party  
Downtown tonight

Yeah it's right around the corner  
Up and down the hill  
When you hear the band playin'  
It's gonna give you a chill  
Give your money to the gate man  
Young blood in his eye  
Hold on to your baby  
As you slip into the sky

Downtown, let's go downtown  
Downtown tonight  
Downtown, hear the band playin'  
Downtown, alright

Downtown, let's go downtown  
Downtown tonight  
Downtown, let's have a party  
Downtown, alright

Downtown, let's go downtown  
Downtown tonight  
Downtown, let's have a party  
Downtown, alright

Downtown, let's go downtown  
Downtown tonight  
Downtown, let's have a party  
Downtown, alright

Ooh  
Ooh  
Ooh, ooh ooh ooh  
Ah, ah, ah

Don't let the sun go down on me  
Although I search myself, it's always someone else I see  
I'd just allow a fragment of your life to wander free

(SA) But losin' everything, is like the  
(SAT) Sun going down on me

Ooh, ooh, ooh
