

TAKE ME HOME

Take that look of worry, I'm an ordinary man
They don't tell me nothin', so I find out all I can
There's a fire that's still burnin', right outside my door
I can't see but I feel it, and it helps to keep me warm
And I, I, I don't mind
I, I, I don't mind

Seems so long I've been waiting, and I still don't know what for
There's no point in escaping, so I don't worry anymore
I can't come out to find you, I don't like to go outside
They can turn off my feelings, like they're turning off a light
And I, I, I don't mind
I, I, I don't mind
No I, I don't mind, I don't mind, oh
Oh, I, I don't mind

Take, take me home
Cause I don't remember
Take, take me home
Cause I don't remember
Take, take me home

I've been a prisoner all my life, and I can say to you

Take that look of worry, mine is an ordinary life
I'm workin' when it's daylight, and sleeping when it's night
I've got no far horizons, I don't wish upon a start
They don't think that I listen, but I know who they are

And I, I, I don't mind
I, I, I don't mind
No, I, I don't mind, I don't mind, oh
Oh, I, I don't mind

Take, take me home
Cause I don't remember
Take, take me home
Cause I don't remember
Take, take me home
Take
Take, take me home
Take me home (5 x's)

SOUND OF THE CITY

Goin' downtown late at night
The streets illumined by red lights
Blinding beauty in my view
These are my roots oh yeah that's true

Home is where your heart is
Gonna take it as it is, yeah
Endless freedom is what I feel
I save the moment it's so unreal

Oh people, can't you see

Come on now, get ready
Feel the sound of the city
Don't you wanna know, don't you wanna go
To the place where the spirit's never low

Come on now, get ready
Feel the sound of the city
Come and go with me, where we feel so free
This is the place to be

Love is blind but I can see
There is where I long to be
I was born, I was raised
At the place that leaves me dazed

It's the shelter of rock and roll
It's a thing that's deep in your soul
I wanna face this way of life
Won't be afraid of a little strife

(Repeat chorus)

Oh, it's the sound of the city

(Repeat chorus)

It's the sound of the city

CENTERFIELD

Oh put me in coach
I'm ready to play, today
Put me in coach
I'm ready to play, today
Look at me, I can be
Centerfield

Ooo

Oh put me in coach
I'm ready to play, today
Put me in coach
I'm ready to play, today
Look at me, I can be
Centerfield

Got a beat up glove, a homemade bat
And a brand new pair of shoes
You know I think it's time
To give this game a ride
Just to hit the ball, and touch them all
A moment in the sun
It's a gone and you can tell that one goodbye

Oh put me in coach
I'm ready to play, today
Put me in coach
I'm ready to play, today
Look at me, I can be

Oh, put me in coach
I'm ready to play, today
Put me in coach
I'm ready to play, today
Look at me
Gotta be
Centerfield

WITH A LITTLE HELP FROM MY FRIENDS

I get by with a little help from my friends
I get by with a little help from my friends
I'm gonna try with a little help from my friends
Ooh, ooh, oh

Does it worry you to be alone
Are you sad because you're on your own

I get by with a little help from my friends
I get by with a little help from my friends
I'm gonna try with a little help from my friends
Ooh, ooh, oh

Do you need anybody
Could it be anybody
Oh, oh, oh
Oh, oh, oh

I get by with a little help from my friends
I get by with a little help from my friends
I'm gonna try with a little help from my friends
Ooh, ooh, oh

Do you need anybody
Could it be anybody
Oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh

I get by with a little help from my friends
I get by with a little help from my friends
I'm gonna try with a little help from my friends
Ooh, ooh
Oh

NOTHING MORE

To be humble, to be kind
It is the giving of the peace in your mind
To a stranger, to a friend
To give in such a way that has no end

We are love, we are one
We are how we treat each other when the day is done
We are peace, we are war
We are how we treat each other, and nothing more

To be bold, to be brave
It is the thinking that the heart can still be saved
And the darkness can come quick
The danger's in the anger and the hangin' on to it

We are love, we are one
We are how we treat each other when the day is done
We are peace, we are war
We are how we treat each other and nothing more

Tell me what it is that you see
A world that's full of endless possibility
And heroes don't look like they used to
They look like you do

Ah, ah, ah
Ah, ah
Ah, ah, ah
Ah, ah, ah

We are love, we are one
We are how we treat each other when the day is done
We are peace, we are war
We are how we treat each other and nothing more
We are how we treat each other and nothing more
We are how we treat each other

WE SHALL ALL BE REUNITED

We shall all, be reunited
In that land, beyond the sky
Where there'll be, no separation
No more marching, no more sighs

Ooh, ooh
Ooh, ooh

We shall all, be reunited
In that land, beyond the sky
Where there'll be, no separation
No more marching, no more sighs

(Repeat chorus)

We shall meet beyond the river
In that land of pure delight
Where no sickness or no sorrow
Will our joys there ever blight

We shall all, be reunited
In that land, beyond the sky
Where there'll be, no separation
No more marching, no more sighs

No more marching, no more sighs

HEROES

Ooh, ooh, ooh
Ooh, ooh, ooh
Ooh, ooh, ooh
Ooh, ooh, ooh

Ah, ah
Ah, ah, ah
Ah, ah, ooh
Ooh, ooh

Ah, ah, ah
Ah, ah, ah
Ah, ah, ah
Ah, ah, ah
Ah, ah
Ah, ah, ah
Ah, ah, ah
Ah, ah

I remember
Ah, ah
By the wall
Ah, ah
Over our heads
Ah
Nothing could fall, nothing could fall
Shame, shame, shame, shame
Ah, ah, ah
Forever and ever

Ah, ah, ah
Ah, ah, ah

Ah, we can be heroes (follow direction for number of times to repeat)

THE JOURNEY

Ooh

It's the journey
It's the getting there to where you're goin' to
Going through hell but still you're gonna make it through
It's the fire that they can't put out inside
It's a hell of a ride

Ooh

Ah

The journey, the journey, the journey

It's the journey
It's the getting there to where you're going to
Going through hell but still you're gonna make it through
It's the fire that they can't put out inside
It's a hell of a ride

Ah

It's the journey
It's the getting there to where you're going to
Going through hell but still you're gonna make it through
It's the fire that they can't put out inside
It's a hell of a ride

(repeat chorus)

It's the journey
It's the journey

HOLD ON

Paul and Silas bound in jail, had no money for to go their bail
Keep your eyes on the prize, and hold on, hold on
Paul and Silas began to shout, chain door opened and they walked out
Keep your eyes on the prize, and hold on, hold on

Hold on (T), Hold on (SA), Hold on (T), Hold on (SA)
Keep your eyes on the prize
And hold on, hold on

The only thing that we did wrong, stayed in the wilderness a day too long
Keep your eyes on the prize, and hold on, hold on
The only thing that we did right, was the day we started to fight
Keep your eyes on the prize, and hold on, hold on

Hold on (T)
Hold on (SA)
Hold on (T)
Hold on (SA)
Keep your eyes on the prize, and hold on, hold on

You gotta keep on holdin' (T) 2

Hold on (T), Hold on (SA)
Hold on (T), Hold on (SA)

The only chain that we can stand, is the chain from hand to hand
Keep your eyes on the prize, and hold on, hold on

Hold on (T), Hold on (SA), Hold on (T), Hold on (SA)
Keep your eyes on the prize
Keep your eyes on the prize
Keep your eyes on the prize

And hold on (S)
Hold on (A)
Hold on (T)

LISTENING TO YOU

(T)

Listening to you, I get the music
Gazing at you, I get the heat
Following you, I climb the mountain
I get excitement at your feet

Right behind you, I see the millions
On you, I see the glory
From you, I get opinions
From you, I get the story
