

MOVIN' ON UP - *Primal Scream*

I was blind, now I can see
You made a believer out of me
I was blind, now I can see
You made a believer out of me

I'm movin' on up now
Gettin' out of the darkness
My light shines on, my light shines on
My light shines on

I was lost, now I'm found
I believe in you, I've got no bounds
I was lost, now I'm found
I believe in you, I got no bounds

I'm movin' on up now
Gettin' out of the darkness
My light shines on, my light shines on
My light shines on
my light shines on
(My light shines on) my light shines on

I'm movin' out of darkness, my light shines on (my light shines on)
I'm movin' out of darkness, my light shines on (my light shines on)
I'm movin' out of darkness, my light shines on (my light shines on)
I'm movin' out of darkness, my light shines on (my light shines on)
I'm movin' out of darkness, my light shines on (my light shines on)
(Repeat until the end)

Put a Little Love in Your Heart

Think of your fellow man, lend him a helping hand
Put a little love in your heart
You see it's getting late, oh, please don't hesitate
Put a little love in your heart

And the world will be a better place
And the world will be a better place for you and me
You just wait and see

Another day goes by, and still the children cry
Put a little love in your heart
If you want the world to know, we won't let hatred grow
Put a little love in your heart

And the world will be a better place
And the world will be a better place for you and me
You just wait and see. Just wait and see.

Take a good look around and if you're feelin' down
Put a little love in your heart
I hope when you decide kindness will be your guide
Put a little love in your heart

And the world will be a better place
And the world will be a better place for you and me
You just wait and see

Put a little love in your heart
Put a little love in your heart
(Repeat)

WE ARE FAMILY
- *Sisters Sledge*

[CHORUS]

We are family
I got all my sisters with me
We are family
Get up everybody and sing
We are family
I got all my sisters with me
We are family
Get up everybody and sing

[SOLO]

Everyone can see we're together
As we walk on by (and)
And we fly just like birds of a
feather
I won't tell no lie (all)
All of the people around us, they
say,
Can they be that close
Just let me state for the record
We're giving love in a family dose

[CHORUS]

We are family
I got all my sisters with me
We are family
Get up everybody and sing

[SOLO]

Living life is fun and we've just
begun
To gain our share of this world's
delights
Our high hopes we had for the
future
And our goal's in sight
No (we), we don't get depressed
'Cause here's what we call our
golden rule
Have faith in you and the things
you do
You won't go wrong, oh no
This is our family jewel

[CHORUS]

We are family
I got all my sisters with me
We are family
Get up everybody and sing

We are family
I got all my sisters with me
We are family
Get up everybody and sing

BRING ME SUNSHINE - *Willie Nelson*

Bring me sunshine in your smile
Bring me laughter all the while

In this world where we live
There should be more happiness
So much joy you should give
To each brand new bright tomorrow

Make me happy through the years
Never bring me any tears

Let your arms be as warm
As the sun from up above
Bring me fun
Bring me sunshine
Bring me love

REPEAT

Bring me sunshine in your smile
Bring me laughter all the while

Let your arms be as warm
As the sun from up above
Bring me fun
Bring me sunshine
Bring me love

WE'RE GOING TO BE FRIENDS

- *The White Stripes*

Verse 1

Fall is here, hear the yell
Back to school, ring the bell
Brand new shoes, walking blues
Climb the fence, books and pens
I can tell that we are gonna be friends
I can tell that we are gonna be friends

Verse 2

Walk with me, Suzy Lee
Through the park and by the tree
We will rest upon the ground
And look at all the bugs we found
Safely walk to school without a sound
Safely walk to school without a sound

Verse 3

Here we are, no one else
We walked to school all by ourselves
There's dirt on our uniforms
From chasing all the ants and worms
We clean up and now its time to learn
We clean up and now its time to learn

Bridge

We don't notice any time pass
We don't notice anything
We sit side by side in every class
Teacher thinks that I sound funny
But she likes the way you sing

Verse 5

Tonight I'll dream while in my bed
When silly thoughts go through my
head
About the bugs and alphabet
And when I wake tomorrow I'll bet
That you and I will walk together again
I can tell that we are gonna be friends
I can tell that we are gonna be friends

BROKEN - Coldplay

When I'm broken
I'm in need
Feel that ocean
Swallowing me
Head is hanging
So sorrowfully
Oooh----- shine your light on me

On that morning
Scared and blue
When I'm hungry
Thirsty too
Send this raindrop
Down to the sea
Oooh----- shine your light on me

Oh, shine your light
Shine a light
I'm alright
Oooh-----
Oooh-----
Shine your light on me
Shine your light on me

Oooh-oooh, oooh-oooh, oooh-oooh, oooh-oooh-oooh-oooh
Oooh-oooh, oooh-oooh, oooh-oooh, oooh-oooh-oooh-oooh
Oooh-oooh, oooh-oooh, oooh-oooh, oooh-oooh-oooh-oooh
Oooh-oooh, oooh-oooh, oooh-oooh, oooh-oooh-oooh-oooh-----

WITH A LITTLE HELP FROM MY FRIENDS

I get by with a little help from my friends
I get by with a little help from my friends
I'm gonna try with a little help from my friends
Ooh, ooh, oh

Does it worry you to be alone
Are you sad because you're on your own

I get by with a little help from my friends
I get by with a little help from my friends
I'm gonna try with a little help from my friends
Ooh, ooh, oh

Do you need anybody
Could it be anybody
Oh, oh, oh
Oh, oh, oh

I get by with a little help from my friends
I get by with a little help from my friends
I'm gonna try with a little help from my friends
Ooh, ooh, oh

Do you need anybody
Could it be anybody
Oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh

I get by with a little help from my friends
I get by with a little help from my friends
I'm gonna try with a little help from my friends
Ooh, ooh
Oh

HEROES

Ooh, ooh, ooh
Ooh, ooh, ooh
Ooh, ooh, ooh
Ooh, ooh, ooh

Ah, ah
Ah, ah, ah
Ah, ah, ooh
Ooh, ooh

Ah, ah, ah
Ah, ah, ah
Ah, ah, ah
Ah, ah, ah
Ah, ah
Ah, ah, ah
Ah, ah, ah
Ah, ah

I remember
Ah, ah
By the wall
Ah, ah
Over our heads
Ah
Nothing could fall, nothing could fall
Shame, shame, shame, shame
Ah, ah, ah
Forever and ever

Ah, ah, ah
Ah, ah, ah

Ah, we can be heroes (follow direction for number of times to repeat)

HEROES

SOLOIST PART

I, I wish you could swim
Like dolphins, like dolphins can swim
And nothing, nothing can keep us together
We will beat them, forever and ever

We will be heroes, just for one day

I, I will be king
And you, you will be queen
And nothing will drive them away

We can be heroes, just for one day
We can be us, just for one day

I, I can remember
Standing by the wall
And guns, guns fired above our heads
And we kissed, as though nothing could fall
And the shame, was on their side
We can beat them, forever and ever
[Chorus 3]
And we can be heroes, just for one day

STILL HAVE JOY

after all
after all
After everything I've seen
Thank god I still,
still,
still have joy

through the storm
and the rain
Through heartache yes and pain
Thank god I still,
still,
still have joy

Ooh-----
Ooh-----
Thank god I still,
still,
still have joy

Ooh-----
Ooh-----
Thank god I still,
still,
still have joy

I still have joy (20 times)
