Centerfield

Well I beat the drum and hold the phone
The sun came out today
We're born again, there's new grass on the field
A roundin' third, and headed for home
It's a brown-eyed handsome man
Anyone can understand the way I feel

With A Little Help From My Friends

I get by
I know I can get by
If I hold on to your
I want to thank you for being my friend
Hey

Oh, do you need anybody
Oh
Do you need anybody
All I need is somebody to
Stay by my side
Let me know it's gonna be alright
(ad lib)
I get by with a little help from my friends

Heroes (low part)

I, I wish you could swim
Like dolphins, like dolphins can swim
And nothin', nothing can keep us together
We will beat them, forever and ever
We will be heroes, just for one day

Heroes (high part)

I, I will be king
And you, you will be queen
And nothing can drive them away
We can be heroes, just for one day
We can be us, just for one day

Everyday People

Sometimes I'm right, and I can be wrong
My own beliefs are in my song
The butcher the banker the drummer and then
Makes no difference what group I'm in

I, am everyday people
Yeah, yeah
