

MOVIN' ON UP – Primal Scream

I was blind, now I can see
You made a believer out of me
I was blind, now I can see
You made a believer out of me

I'm movin' on up now
Gettin' out of the darkness
My light shines on, my light shines on
My light shines on

I was lost, now I'm found
I believe in you, I've got no bounds
I was lost, now I'm found
I believe in you, I got no bounds

I'm movin' on up now
Gettin' out of the darkness
My light shines on, my light shines on
My light shines on, my light shines on
(My light shines on) my light shines on

I'm movin' out of darkness, my light shines on (my light shines on)
I'm movin' out of darkness, my light shines on (my light shines on)
I'm movin' out of darkness, my light shines on (my light shines on)
I'm movin' out of darkness, my light shines on (my light shines on)
I'm movin' out of darkness, my light shines on (my light shines on)
(Repeat until the end)

FREEDOM – Pharrell Williams

La, la la la la la la la (4 x's)

[SOLO] Hold on to me, don't let me go
Who cares what they see, Who cares what they know
Your first name is "free", last name is "dom"
Cause you still believe, in where we're from

La, la la la la la la la (8 x's)

[SOLO] Man's red flower, it's in every living thing
Mind use your power, spirit use your wings
Freedom, freedom, freedom
Freedom, freedom, freedom

Hold on to me, don't let me go
Cheetahs need eat, run antelope
Your first name is "king", last name is "dom"
Cause you still believe, in everyone

La, la la la la la la la (8 x's)

[SOLO] When the baby first breathes
When night sees sunrise
When the whale hunts the sea
When man recognizes
Freedom, freedom, freedom
Freedom, freedom, breathe in

[SOLO] We are from heat, the electric one
Does it shock you to see, he left us the sun

La, la la la la la la la (4 x's)

[SOLO] Atoms in the air, organisms in the sea
The sun and yes man, are made of the same things

La, la la la la la la la (4 x's)

Freedom, freedom, freedom
Freedom, freedom, freedom, freedom
Freedom

Woke Up This Morning – John Legend

I Woke up this morning with my mind stayed on freedom
I Woke up this morning with my mind stayed on freedom
I Woke up this morning with my mind stayed on freedom
Hallelu, Hallelu, Hallelujah

I'm walking and talking with my mind stayed on freedom
I'm walking and talking with my mind stayed on freedom
I'm walking and talking with my mind stayed on freedom
Hallelu, Hallelu, Hallelujah

Ain't no harm in keeping your mind stayed on freedom
There ain't no harm in keeping your mind stayed on freedom
There ain't no no harm in keeping your mind stayed on freedom
Hallelu, Hallelu, Hallelujah

Woke up this morning with my mind stayed on freedom
Woke up this morning with my mind stayed on freedom
Hallelu, Hallelu, Hallelujah

BEAUTIFUL – Moby

Come on baby, come on girl
Come on baby, come on girl
I love you baby, I love you now
I love you baby, I love you now

Look at us, we're beautiful
All the people push and pull
But let's just go out and ride
Talk about the things we try
Look at us, we're beautiful
All the people push and pull but
They'll never get inside
We've got too much to hide

Come on baby, come on girl
Come on baby, come on girl
We love you baby, we love you now
We love you baby, we love you now

Look at us, we're beautiful
All the people push and pull but
Let's just go out and ride
Talk about the things we try
Look at us, we're beautiful
All the people push and pull but
They'll never get inside
We've got too much to hide

Look at us, we're beautiful
All the people push and pull but
Let's just go out and ride
Talk about the things we try
Look at us, we're beautiful
All the people push and pull but
They'll never get inside
We've got too much to hide

Look at us we're beautiful [Repeat x16]

BROKEN – Coldplay

When I'm broken
I'm in need
Feel that ocean
Swallowing me
Head is hanging
So sorrowfully
Ooh----- shine your light on me

On that morning
Scared and blue
When I'm hungry
Thirsty too
Send this raindrop
Down to the sea
Ooh----- shine your light on me

Oh, shine your light
Shine a light
Ooh-----
I'm alright
Ooh----- Ooh-----
Shine your light on me
Shine your light on me

Ooh-oo, ooh-oo, ooh-oo, ooh-oo-oo-oo
Ooh-oo, ooh-oo, ooh-oo, ooh-oo-oo-oo
Ooh-oo, ooh-oo, ooh-oo, ooh-oo-oo-oo
Ooh-oo, ooh-oo, ooh-oo, ooh-oo-oo-
oooh-----

BRING ME SUNSHINE - *Willie Nelson*

Bring me sunshine in your smile
Bring me laughter all the while
In this world where we live
There should be more happiness
So much joy you should give
To each brand new bright tomorrow
Make me happy through the years
Never bring me any tears
Let your arms be as warm
As the sun from up above
Bring me fun
Bring me sunshine
Bring me love
[REPEAT ABOVE ONCE]

Bring me sunshine in your smile
Bring me laughter all the while
Let your arms be as warm
As the sun from up above
Bring me fun
Bring me sunshine
Bring me love
