THIS IS THE NEW YEAR

Another year you made a promise
Another chance to turn it all around
And do not save this for tomorrow
Embrace the past and you can live for now
And I will give the world to you

Speak louder than the words before you
And give them meaning no one else has found
The role we play is so important
We are the voices of the underground
And I will give the world to you

Say everything you've always wanted
Be not afraid of who you really are
Cause in the end we have each other
And that's at least one thing worth living for
And I will give the world to you

A million suns that shine upon me
A million skies they are the brightest blue
Let's tear the walls down that divide us
And build a statue strong enough for two

I pass it back to you
And I will wait for you

Cause I would give the world
And I would give the world
And I would give the world to you

This is the new year
A new beginning
You made a promise
You are the brightest
We are the voices
This is the new year
We are the voices
This is the new year

DON'T GIVE UP ON ME

(T/B/B) I will fight, I will fight for you
I always do, until my heart is black and blue
And I will stay, I will stay with you
We'll make it to the other side
Like lovers do

I'll reach my hands out in the dark and
Wait for yours to interlock

(S/A) I'll wait for you, I'll wait for you

(All) 'Cause I'm not givin' up
I'm not givin' up, givin' up, no, not yet
Even when I'm down to my last breath
Even when they say there's nothin' left
So don't give up on
I'm not givin' up
I'm not givin' up, givin' up, no, not me
Even when nobody else believes
I'm not goin' down that easily
So don't give up on me

(S/A) I will hold, I'll hold onto you
No matter what this world will throw
It won't shake me loose

(All) I'll reach my hands out in the dark and
Wait for yours to interlock

(S/A) I'll wait for you, I'll wait for you

(All) 'Cause I'm not givin' up
I'm not givin' up, givin' up, no, not yet
Even when I'm down to my last breath
Even when they say there's nothin' left
So don't give up on
I'm not givin' up
I'm not givin' up, givin' up, no, not me
Even when nobody else believes
I'm not goin' down that easily
So don't give up on me

Whoa, yeah

(T/B/B) I will fight, I will fight for you
I always do, until my heart is black and blue

(Repeat chorus: All)

YOU WILL BE FOUND

Solo 1 (Choir Ooh)

Solo 2 (Choir Ooh)

You can reach, reach out your hand

And oh, someone will come runnin'

And I know, they'll take you home

Even when the dark comes crashing through

When you need a friend to carry you

When you're broken on the ground

You will be found

You will be found

Out of the shadows

Morning is breaking and all is new, all is new

Filling up the empty

And suddenly I see

That all is new, all is new

(A)You are not alone

(A)You are not alone

(S/A)You are not alone

(S/A)You are not alone

(All) You are not alone

(All)You are not alone

You are not

You are not alone

You will be found

Let the sun come streaming in

'Cause you'll reach up and you'll rise again

Lift your head and look around

You will be found

You will be found

You will be found

CROWDED TABLE

(S/A) You can hold my hand, when you need to let go
I can be your mountain, when you're feelin' valley low
I can be a streetlight showin' you the way home
You can hold my hand, when you need to let go

(All) I want a house, with a crowded table
And a place by the fire for everyone
Let us take on the world while we're young and able
And bring us back together when the day is done

(T/B/B) Ooh

(S/A) If we want a garden, we're gonna have to sow the seeds
Plant a little happiness, let the roots run deep

(T/B/B) Ah

(S/A) If it's love that we give

(T/B/B) Ah

(S/A) then it's love that we reap

If we want a garden, we're gonna have to sow the seeds

(All) I want a house, with a crowded table
And a place by the fire for everyone
Let us take on the world while we're young and able
And bring us back together when the day is done

The door is always open, your picture's on my wall
Everyone's a little broken, and everyone belongs
Yeah, everyone belongs

(S) I want a house, with a crowded table
And a place by the fire
(All) for everyone
Let us take on the world while we're young and able
And bring us back together when the day is done
And bring us back together when the day
Is done

SOAR

(Solo)

In life
And in your mind
We start to look outside ourselves

Don't be scared to fly alone
Find a path that is your own
Love will open every door
It's your hands, the world is yours

Don't hold back, and always know
All the answers, they will unfold
What are you waiting for
Spread your wings and soar

Ooh, ooh, ooh

To fit in

In life, gonna be times when you're feelin' low
And in your mind, insecurities seem to take control
We start to look outside ourselves
For acceptance and approval
We keep forgettin' that the one thing you should know is

Don't be scared to fly alone
Find a path that is your own
Love will open every door
It's your hands, the world is yours

Don't hold back, and always know
All the answers, they will unfold
What are you waiting for
Spread your wings and soar

What is it in us

To keep pretending

Soar
Find a path that is your own
Love will open every door
It's in your hands, the world is yours
Don't hold back and always know
All the answers, they will unfold
Don't wait, spread your wings and soar

Don't wait, no more, you can soar, Don't wait no more, you can soar
Don't wait no more, you can soar, Don't wait no more, you can soar

I WON'T GIVE UP ON US

Ooh, ooh

Ah, ah, ah

Ah, ah, ah

Ah, ah, ah

Ah, ah, ah

Ah

I won't give up on us
Even if the skies get rough
I'm giving you all my love
I'm still lookin' up

I won't give up on us
Even if the skies get rough
I'm giving you all my love
I'm still lookin' up

I WAS HERE

(S/A) I wanna leave my footprints on the sands of time
Know there was something that, meant something that
I left behind

When I leave this world, I leave no regrets
Leave something to remember, so they won't forget

(All) I was here, I lived, I loved
I was here, I did, I've done
Everything that I wanted and it was more than I thought it would be
I will leave my mark so everyone will know
I was here

(S/A) I wanna say, I lived each day, until I died
And know that I meant something in somebody's life
(T/B/B) Ah
(S/A) The lives I have touched, will be the proof that I leave
That I made a difference, and this world will see

(All) I was here, I lived, I loved
I was here, I did, I've done
Everything that I wanted and it was more than I thought it would be
I will leave my mark so everyone will know
I was here
I lived, I loved
I was here, I did, I've done
Everything that I wanted and it was more than I thought it would be
I will leave my mark so everyone will know
I was here

I just want them to know
That I gave my all, did my best, brought someone some happiness
Left this world a little better, just because
I was here

I was here, I lived, I loved
I was here, I did, I've done
Everything that I wanted and it was more than I thought it would be
I will leave my mark so everyone will know
I was here

I lived, I loved
I was here
I did, I've done
I was here
I lived, I loved
I was here
I did, I've done
I was here

A SYMPTOM OF BEING HUMAN

Ooh, ooh, ooh
Ooh, ooh, ooh

Sometimes I'm in a room where I don't belong
And the house is on fire and there's no alarm
And walls are melting, too
How 'bout you

I've never been the favorite, thought I'd seen it all
'til I got my invitation to the lunatic ball
And my friends are comin' too
How 'bout you
Don't worry it's all just a symptom of being human

(S) We're all just passin' through, passengers on a ship of fools
(S/A) We're all just passin' through, passengers on a ship of fools
(All) We're all just passin' through, passengers on a ship of fools
We're all just passin' through, passengers on a ship of fools

Sometimes I'm in a room where I don't belong
And the house is on fire and there's no alarm
And walls are melting, too
How 'bout you

I've never been the favorite, thought I'd seen it all
'til I got my invitation to the lunatic ball
And my friends are comin' too
On a ship of fools

Don't worry, it's all just a symptom
Of being human

HOLD ON

Got my hand on the holy plow, won't take nothin' for my journey now
Keep your eyes on the prize and hold on
Hold on

The only chain that we can stand, is the chain from hand to hand
Keep your eyes on the prize and hold on
Hold on

Hold on, hold on
Hold on, hold on
Keep your eyes on the prize and hold on
Hold on

The only thing that we did wrong, stayed in the wilderness a day too long
Keep your eyes on the prize and hold on
Hold on

The only thing that we did right, was the day we started to fight
Keep your eyes on the prize and hold on
Hold on

Hold on, hold on
Hold on, hold on
Keep your eyes on the prize and hold on
Hold on

You gotta keep on holdin' (alto)
You gotta keep on holdin' (soprano)
You gotta keep on holdin' (tenor)

Hold on, hold on
Hold on, hold on
Keep your eyes on the prize and hold on
Hold on

When your way gets dark as night, take my hand and hold on tight
Keep your eyes on the prize and hold on
Hold on

Hold on, hold on
Hold on, hold on
Keep your eyes on the prize
Keep your eyes on the prize

Keep your eyes on the prize

And hold on, hold on, hold on
Hold on

DON'T STOP

When you wake up and don't want to smile
If it takes just a little while
Open your eyes, and look at the day
You'll see things in a different way

Don't, stop, thinkin about tomorrow
Don't, stop, it'll soon be here
It'll be here, better than before
Yesterday's gone, yesterday's gone

Why not think about the things to come
Not about the things that you've done
If your life's been bad to you
Just think what tomorrow will do

Don't, stop, thinkin about tomorrow
Don't, stop, it'll soon be here
It'll be here, better than before
Yesterday's gone, yesterday's gone

All I want is to see you smile
If it takes just a little while
I know you don't believe that it's true
I never meant any harm to you

Don't, stop, thinkin about tomorrow
Don't, stop, it'll soon be here
It'll be here, better than before
Yesterday's gone, yesterday's gone
