

I WAS HERE

(S/A) I wanna leave my footprints on the sands of time
Know there was something that, meant something that
I left behind

When I leave this world, I leave no regrets
Leave something to remember, so they won't forget

(All) I was here, I lived, I loved
I was here, I did, I've done
Everything that I wanted and it was more than I thought it would be
I will leave my mark so everyone will know
I was here

(S/A) I wanna say, I lived each day, until I died
And know that I meant something in somebody's life
(T/B/B) Ah
(S/A) The lives I have touched, will be the proof that I leave
That I made a difference, and this world will see

(All) I was here, I lived, I loved
I was here, I did, I've done
Everything that I wanted and it was more than I thought it would be
I will leave my mark so everyone will know
I was here
I lived, I loved
I was here, I did, I've done
Everything that I wanted and it was more than I thought it would be
I will leave my mark so everyone will know
I was here

I just want them to know
That I gave my all, did my best, brought someone some happiness
Left this world a little better, just because
I was here

I was here, I lived, I loved
I was here, I did, I've done
Everything that I wanted and it was more than I thought it would be
I will leave my mark so everyone will know
I was here

I lived, I loved
I was here
I did, I've done
I was here
I lived, I loved
I was here
I did, I've done
I was here

A SYMPTOM OF BEING HUMAN

(Harmony Chorus sings and you join them when they begin singing the following refrain and continue singing the refrain until the last line of the final chorus)

We're all just passin' through, passengers on a ship of fools

(S) We're all just passin' through, passengers on a ship of fools

(S/A) We're all just passin' through, passengers on a ship of fools

(All) We're all just passin' through, passengers on a ship of fools

We're all just passin' through, passengers on a ship of fools

(S) We're all just passin' through, passengers on a ship of fools

(S/A) We're all just passin' through, passengers on a ship of fools

(All) We're all just passin' through, passengers on a ship of fools

We're all just passin' through, passengers on a ship . . .

Don't worry, it's all just a symptom

Of being human

HOLD ON

Got my hand on the holy plow, won't take nothin' for my journey now
Keep your eyes on the prize and hold on
Hold on

The only chain that we can stand, is the chain from hand to hand
Keep your eyes on the prize and hold on
Hold on

Hold on, hold on
Hold on, hold on
Keep your eyes on the prize and hold on
Hold on

The only thing that we did wrong, stayed in the wilderness a day too long
Keep your eyes on the prize and hold on
Hold on

The only thing that we did right, was the day we started to fight
Keep your eyes on the prize and hold on
Hold on

Hold on, hold on
Hold on, hold on
Keep your eyes on the prize and hold on
Hold on

You gotta keep on holdin' (alto)
You gotta keep on holdin' (soprano)
You gotta keep on holdin' (tenor)

Hold on, hold on
Hold on, hold on
Keep your eyes on the prize and hold on
Hold on

When your way gets dark as night, take my hand and hold on tight
Keep your eyes on the prize and hold on
Hold on

Hold on, hold on
Hold on, hold on
Keep your eyes on the prize
Keep your eyes on the prize

Keep your eyes on the prize

(S) And hold on, (A) hold on, (T) hold on
(All) Hold on
