

## **MOVIN' ON UP - Primal Scream**

I was blind, now I can see  
You made a believer out of me  
I was blind, now I can see  
You made a believer out of me

I'm movin' on up now  
Gettin' out of the darkness  
My light shines on, my light shines on  
My light shines on

I was lost, now I'm found  
I believe in you, I've got no bounds  
I was lost, now I'm found  
I believe in you, I got no bounds

I'm movin' on up now  
Gettin' out of the darkness  
My light shines on, my light shines on  
My light shines on, my light shines on  
(My light shines on) my light shines on

I'm movin' out of darkness, my light shines on (my light shines on)  
I'm movin' out of darkness, my light shines on (my light shines on)  
I'm movin' out of darkness, my light shines on (my light shines on)  
I'm movin' out of darkness, my light shines on (my light shines on)  
I'm movin' out of darkness, my light shines on (my light shines on)  
(Repeat until the end)

## A SYMPTOM OF BEING HUMAN - Shinedown

Ooh, ooh, ooh  
Ooh, ooh, ooh

Sometimes I'm in a room where I don't belong  
And the house is on fire and there's no alarm  
And walls are melting, too  
How 'bout you

I've never been the favorite, thought I'd seen it all  
'til I got my invitation to the lunatic ball  
And my friends are comin' too  
How 'bout you  
Don't worry it's all just a symptom of being human

(S) We're all just passin' through, passengers on a ship of fools  
(S/A) We're all just passin' through, passengers on a ship of fools  
(All) We're all just passin' through, passengers on a ship of fools  
We're all just passin' through, passengers on a ship of fools

Sometimes I'm in a room where I don't belong  
And the house is on fire and there's no alarm  
And walls are melting, too  
How 'bout you

I've never been the favorite, thought I'd seen it all  
'til I got my invitation to the lunatic ball  
And my friends are comin' too  
On a ship of fools  
Don't worry, it's all just a symptom of being human

## **LEAN ON ME - Bill Withers**

Sometimes in our lives we all have pain  
We all have sorrow  
But if we are wise  
We know that there's always tomorrow

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on

Please swallow your pride  
If I have faith you need to borrow  
For no one can fill those of your needs  
That you won't let show

You just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean on

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on

You just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean on

If there is a load you have to bear  
That you can't carry  
I'm right up the road  
I'll share your load  
If you just call me  
Call me (repeat 8 times)

## **I WAS HERE - Beyonce**

I wanna leave my footprints on the sands of time  
Know there was something that, something that  
I left behind  
When I leave this world, I'll leave no regrets  
Leave something to remember, so they won't forget

I was here - I lived, I loved  
I was here - I did, I've done  
Everything that I wanted and it was more than I thought it would be  
I will leave my mark so everyone will know  
I was here

I wanna say, I lived each day until I died  
And know that I meant something in  
Somebody's life  
The hearts I have touched will be the proof that I leave  
That I made a difference and this world will see

I was here - I lived, I loved  
I was here - I did, I've done  
Everything that I wanted it was more than I thought it would be  
I will leave my mark so everyone will know

I was here - I lived, I loved  
I was here - I did, I've done  
Everything that I wanted and it was more than I thought it would be  
I will leave my mark so everyone will know

I was here  
I just want them to know  
That I gave my all, did my best  
Brought someone some happiness  
Left this world a little better just because  
I was here

I was here - I lived, I loved  
I was here - I did, I've done  
Everything that I wanted and it was more than I thought it would be  
I will leave my mark so everyone will know  
I was here

I lived, I loved - I was here  
I did, I've done - I was here  
I lived, I loved - I was here  
I did, I've done - I was here

## **DON'T GIVE UP ON ME - Andy Grammer**

I will fight, I will fight for you  
I always do until my heart is black and blue  
And I will stay, I will stay with you  
We'll make it to the other side like lovers do

I'll reach my hands out in the dark and  
Wait for yours to interlock  
I'll wait for you, I'll wait for you

[Chorus]

'Cause I'm not givin' up  
I'm not givin' up, givin' up, no, not yet  
Even when I'm down on my last breath  
Even when they say there's nothin' left  
So don't give up on  
I'm not givin' up  
I'm not givin' up, givin' up, no, not me  
Even when nobody else believes  
I'm not goin' down that easily  
So don't give up on me

And I will hold, I'll hold onto you  
No matter what this world will throw  
It won't shake me loose  
I'll reach my hands out in the dark and  
Wait for yours to interlock  
I'll wait for you, I'll wait for you

[Repeat Chorus - same as above]

Woah, woah  
Woah, woah  
Yeah, yeah, yeah  
Yeah, yeah, yeah, yeah

I will fight, I will fight for you  
I always do until my heart is black and blue

[Repeat Chorus - same as above]

**STILL HAVE JOY - traditional**

After all  
After all  
After everything I've seen  
Thank god I still  
Still  
Still have joy

Through the storm  
And the rain  
Through heartache, yes, and pain Thank  
god I still  
Still  
still have joy

**[REPEAT ABOVE]**

Ooh-----  
Oooh----- Thank god I  
still  
Still  
Still have joy

**[REPEAT ABOVE]**

I still have joy [REPEAT 16 TIMES]

Through the storm  
And the rain  
Through heartache, yes, and pain Thank  
god I still  
Still  
still have joy

## **DON'T STOP THINKING ABOUT TOMORROW - Fleetwood Mac**

If you wake up and don't want to smile  
If it takes just a little while  
Open your eyes and look at the day  
You'll see things in a different way

Don't stop thinking about tomorrow  
Don't stop, it'll soon be here  
It'll be better than before  
Yesterday's gone, yesterday's gone

Why not think about times to come?  
And not about the things that you've done  
If your life was bad to you  
Just think what tomorrow will do

Don't stop thinking about tomorrow  
Don't stop, it'll soon be here  
It'll be better than before  
Yesterday's gone, yesterday's gone

All I want is to see you smile  
If it takes just a little while  
I know you don't believe that it's true  
I never meant any harm to you

Don't stop thinking about tomorrow  
Don't stop, it'll soon be here  
It'll be better than before  
Yesterday's gone, yesterday's gone

Ooh  
Don't you look back  
Ooh  
Don't you look back  
Ooh  
Don't you look back  
Ooh  
Don't you look back
