SIR DUKE

Well just because a record has a groove
Don't make it in the groove
But you can tell right away at letter A
When the people start to move

They can feel it all over
They can feel it all over, people
They can feel it all over
They can feel it all over people

Well there's Basie, Miller, Sat-cha-mo
And the king of all Sir Duke
And with a voice like Ella's ringin' out
There's no way the band could lose

You can feel it all over,
You can feel it all over, people
You can feel it all over
You can feel it all over, people
(Repeat)

You can feel it all over,
You can feel it all over, people
You can feel it all over
You can feel it all over, people
(3 x's)

LANDSLIDE

(T) I took my love and I took it down
Climbed a mountain and I turned around
(SAT) And I saw my reflection in the
Snow-covered hills
(T) 'til the landslide brought me down

(SAT) Oh mirror in the sky
(T) What is love
(SAT) Can the child in my heart
Rise above
Can I sail through the changin' ocean tides
Can I handle the seasons of my life
Ooh, ooh

'cause I built my life around you
Well time makes you bolder even children get older
And I'm getting older too

'cause I built my life around you
Well time makes you bolder even children get older
And I'm getting older too
I'm getting older too

(T) Take my love, take it down
Climb a mountain and turned around
(SAT) If you see my reflection in the
Snow-covered hills

(T) Will the landslide bring me down

(SAT) If you see my reflection in the
Snow-covered hills

(T) Will the landslide bring you down
Will the landslide bring you down

WHERE I AM (IS NOT WHO I AM)

Where I am, is not who I am
I'm more than the bars
More than the slam
A voice can rise, a voice can stand
A prayer, a cry, a guiding hand
Where I am, is not who I am

SOMEBODY TO LOVE

(Can)

Anybody...find me...Somebody...to love

Take a look at yourself in the mirror...And cry, yeah, yeah

Ooh, believing you
I just can't get no relief, Lord
Somebody, somebody, Anybody find me

He works hard
At the end of the day
Goes home
Goes home on his own
Down
Knees
Praise the Lord

Ooh, Lord
Somebody, somebody, Anybody find me

He works hard
Every day
Tried and I've tried and I've tried
Ooh, Ooh
Ah
He's got nobody left to believe
Yeah, yeah, yeah, yeah

Ooh, Lord
Somebody, somebody, Anybody find me

Can, anybody find me
Someone to love

He'll just keep losing and losing
He's alright, he's alright
Yeah, yeah
Ooh, this prison cell, one day I'm gonna be free, Lord

1976 TV THEME SONG MEDLEY (Part One)

Sunday, Monday, happy days, Tuesday, Wednesday, happy days
Thursday, Friday, happy days
The weekend comes, my cycle hums
Ready to race to you
These days are ours, these days are ours
Goodbye grey skies hello blue
'Cause nothin' can hold me when I hold you
Feels so right, can't be wrong
Rockin' and rollin' all week long
Sunday, Monday, happy days, Tuesday, Wednesday, happy days
Thursday, Friday, happy days
Saturday, what a day
Groovin' all week with you
These days are ours, these days are ours
These happy days are yours and mine, happy day

We're gonna do it
Give us any chance we'll take it, read us any rule, we'll break it
We're gonna make our dreams come true
Doin' it our way
Nothin's gonna turn us back now, straight ahead and on the track now
We're gonna make our dreams come true
Doin' it our way
There's nothing we won't try, never heard the word impossible
This time, there's no stopping us
We're gonna do it
On your mark get set and go now
Got a dream and we just know now
We're gonna make that dream come true
And we'll do it our way, yes, our way
Make all our dreams come true
And we'll do it our way, yes our way
Make all our dreams come true
For me and you

Good times, good times, good times
Not gettin' hassled, not gettin' hustled
Keepin' your head above water
Makin' a way when you can
Good times, good times, good times, good times
Ain't we lucky we got 'em, good times

1976 TV THEME SONG MEDLEY (Part Two)

Welcome back, your dreams were your ticket out
Welcome back, to that same old place that you laughed about
Well the names have all changed since you hung around
But the dreams have remained and they've turned around

Who'd have thought they lead ya
Back here where we need ya
Yeah, we tease him a lot, 'cause we got him on the spot
Welcome back
Welcome back, welcome back, welcome back
Welcome back, welcome back, welcome back
Welcome back, welcome back, welcome back

Come and knock on our door
We've been waiting for you
Where the kisses are her's and her's and his
Three's company too
Come and dance on our floor
Take a step that is new
We're a lovable space
That needs your face
Three's company too

You'll see that life is a ball again
Laughter is calling for you
Down at our rendezvous
Three's company too

Movin' on up, movin' on up
Movin' on up, movin' on up

Movin' on up, movin' on up
Ah
Movin' on up, movin' on up
We finally got a piece of the pie

PLAY THAT FUNKY MUSIC

Yeah they were dancin' and singin'
And movin' to the groovin'
And just when it hit me
Somebody turned around and shouted

Play that funky music, white boy
Play that funky music, right
Play that funky music, white boy
Lay down the boogie and play that funky music 'til you die

Yeah they were dancin' and singin'
And movin' to the groovin'
And just when it hit me
Somebody turned around and shouted

Play that funky music, white boy
Play that funky music, right
Play that funky music, white boy
Lay down the boogie and play that funky music 'til you die

WHEN they were dancin' and singin'
And movin' to the groovin'
And just when it hit me
Somebody turned around and shouted

Play that funky music, white boy
Play that funky music, right
Play that funky music, white boy
Lay down the boogie and play that funky music 'til you die

Play that funky music, play that funky music
Play that funky music, play that funky music

Lay down the boogie and play that funky music 'til you die

Sing for the laughter, sing for the tears
Sing with me, but just for today
Maybe tomorrow the good Lord will take you away

Sing with me, sing for the year
Sing for the laughter, sing for the tears
Sing with me, but just for today
Maybe tomorrow the good Lord will take you away

Sing with me, sing for the year
Sing for the laughter, sing for the tears
Sing with me, but just for today
Maybe tomorrow the good Lord will take you away
